

Organize Your Home In No Time

Debbie Stanley

The National Association of Professional Organizers reports that getting rid of clutter in your home cuts housework by 40% in the average home. Just think about what you could do with all of that extra time in your already action-packed schedule! But is it worth all the time it will take you just to get organized in the first place? It is, with the help of *Organize Your Home In No Time*. Professional organizer Debbie Stanley will help you create organization systems that work for you, based on your personal preferences and needs. Find out what kind of disorganization plagues you, how to get your family involved and then set organization priorities with the step-by-step instructions and to-do lists used throughout the book. Debbie will even provide you with detailed shopping lists and specific product recommendations based on the system that you choose for your home. Clear the clutter and organize your home the In No Time way - fast, simple, easy!
