

# Orgasmic Damnation

Basil Diki

Alarming revelations lie beyond Omega Hudson's twelfth birthday. By descent Indian, by faith mysterious, she is an encyclopaedic, news-making Seventh-Grader with American celebrity parents. Though she is a super-child, her antics are forbidden, but her parents aren't saints either. Yet the girl seems to be the beams of a cruciform, one representing the fulfillment of a Nostradamus prophecy, the other Judgement Day. While blood and gore threaten an awakening diplomatic row between the USA and India, an intolerable religion which began secretly in California rears up its head in New Orleans as its devotees attempt to re-write the future. Will a Police and US Defence joint operation, or an adoption annulment, avert disaster? Or is it too late to cleanse America's stained spiritual and moral fabric?
