

Origami Bugs (6pack)

MS Catherine Ard

Bugs can be squirmy, wriggly, and creepy. Origami bugs are just cool! With this engaging book and a few sheets of paper, young artists will read about and create bees, cicadas, butterflies, and other interesting insects. Colorful photographs, guiding illustrations, and numbered directions make each activity accessible, no matter the artists level of proficiency. After completing this book, readers will want to make more origami creatures and other creations.
