

# Original Ducati Sport & Super Sport 1972-1986: 1972-86

Ian Falloon

The Ducati Sport and Super Sport are the most-prized collector motorcycles in the world. For good reason too. Built for racing performance, the cycles are relatively rare, always attract attention and command top prices. This Original-series book focuses on all the bevel-drive sport models from 1972 to 1986, including the 750 Sport, 750SS, 900SS, 900 Darmah SS, Mike Hailwood Replica and the 1000 S2. A short chapter covers the daddy to all these Ducatis, the 750 GT, a highly collectible bike.
