Wilma Truschneegg

Drea is an original intergalactic heroine... Taken as a child to join the elite school on a distant planet, she grows up unaware of the truth of her home and her people. But then, in a strange twist of fate, she - and only she - can save her own race. The future of the galaxy is in her hands alone... Wilma Truschneegg was born on July 28th 1967 in Ostermiething, Upper Austria, and her interest in writing began very early, while still in school. Her first short stories told about adventurous young people, but soon her favourite subject turned out to be Science Fiction with some cross-overs to Fantasy. Besides writing she likes to travel and get inspired by exotic people and places. At present she lives and works in Salzburg, Austria.
